Workbench liners

CYJY is one of the famous manufacturers of workbench drawer liners in China. The worktable drawer liners we provide are durable and easy to clean. You don't need to worry about the mismatch between the liners and the drawer or workbench. You can cut this workbench drawer liners according to your needs. We suggest that you use a ruler to measure the size you need before cutting, and then mark it to avoid waste caused by cutting errors. We suggest that you purchase enough workbench drawer liners at once to meet your usage and replacement needs. The liners can be used for a long time. You can place it directly on the desktop to reduce scratches in daily use. They will be good helpers for your work.

Product Features

The workbench drawer liners have a textured grip that protects drawers from scratches, damage, and collisions every time they are opened or closed.

The liner is strong enough to support any heavy tool, the grid line is easy to measure and cut, and can be easily cut with scissors or razors.

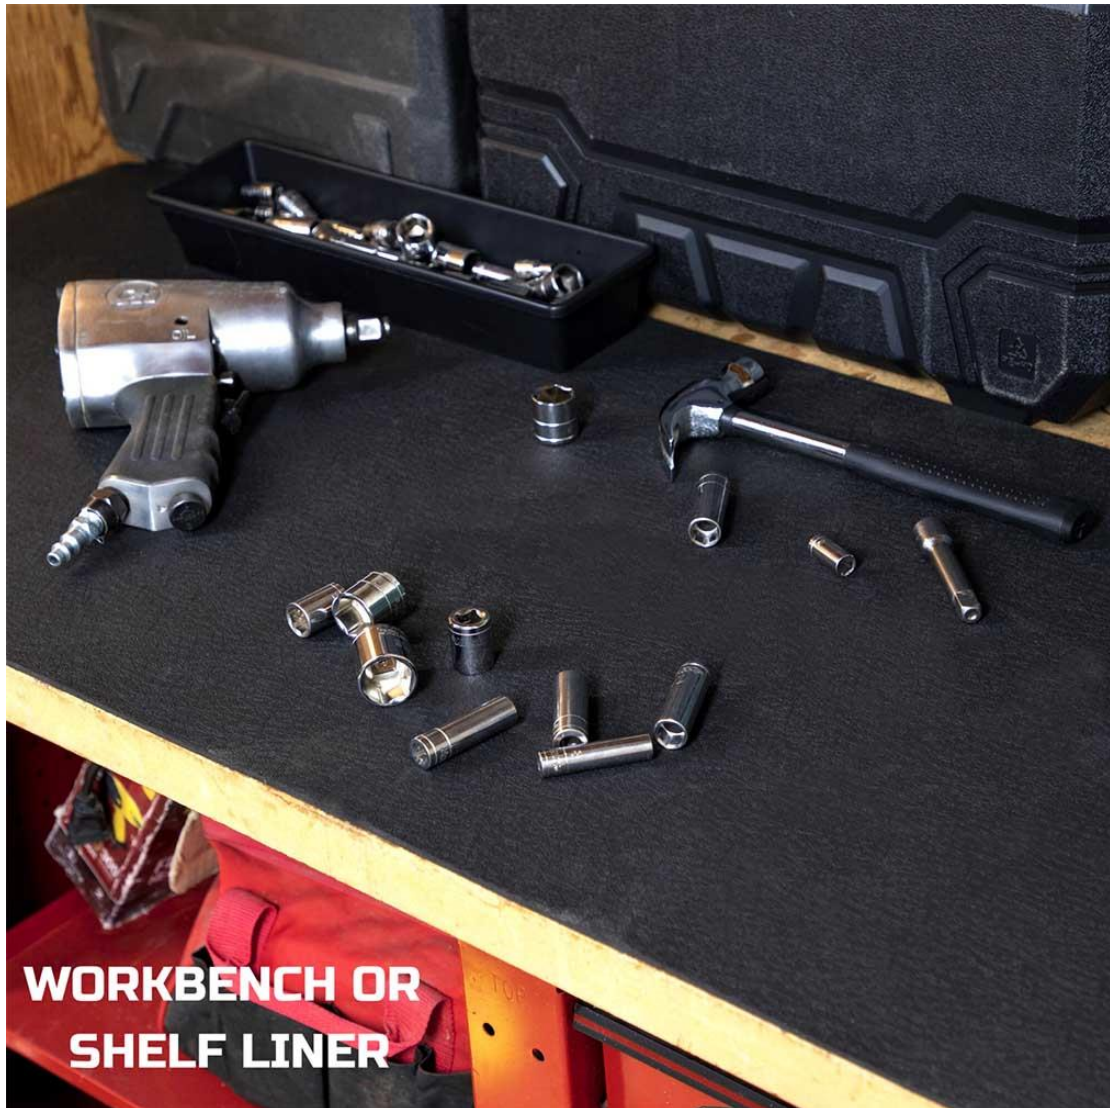

It adopts a non adhesive design, making it easy to reposition in any space. The top and bottom anti-skid surfaces prevent tool slipping.
